Pool Parties

VEHOA Pool Rules ↓

Please take a moment to review pool rules and expectations with your family. They are posted at the pool on the wall as well. These rules are to ensure a safe and enjoyable experience for all Village East patrons.

Please ensure that all family members are aware of these expectations, discipline procedures, and weather-related information prior to visiting the pool for the season. Reminder ALCOHOL OF ANY KIND IS NOT ALLOWED.

Swim Lessons ↓

Please see the lifeguards for information.

Unsupervised Children ↓

The VEHOA rules state that children must be 10 years or older to attend the pool without a guardian. In order to do so, children will need to have an emergency contact form on file and pass a brief swim test with a lifeguard in order to attend. This form will be used for emergencies or disciplinary needs. Families with multiple children will need a form on file for each child. Children visiting the pool without an emergency form on file will need to be accompanied by an adult.
